Dear Kevin,

Your presentation, *Beyond the BlindSpot Zone*, at our recent May 2017 Continuing Professional Education (CPE) Seminar was very well received by our staff. The presentation was well-prepared and provided a valuable, thought-provoking message to our professional staff, assisting our auditors to critically think about different perspectives that could impact them in both their professional and personal successes.

We appreciate your willingness to be a part of our Seminar and for the enthusiastic and energetic presentation – a true “plus” for our marathon 24-hour CPE. Thank you for a job very well done!
